

South Texas Cattle Marketing's Drought Influence Replacement Female Sale

May 3, 2025 • 12:00 Noon

Nixon Livestock Commission • Nixon, Texas

These are cattle we would normally sell in our Labor Day Weekend Sale, however due to extreme dry conditions on many of our ranches. These cattle are representative of the quality cattle our customers have come to expect, but due to drought conditions we must sell them early. The quality runs very deep in this special offering. These cattle are on irrigated oats and ryegrass and we will continue on our program until sale time.

Featuring

350 First Calf Heifer Pairs

200 Fall Calving Heifers

250 Open Heifers

For more information go to our website at
